Highlights of the Local Government Pension Scheme (LGPS)

The LGPS is an important part of your employment package and provides an excellent range of benefits:

Secure benefits

The scheme provides you with a future income, independent of share prices and stock market fluctuations.

At a low cost to you

With tax-efficient savings.

And your employer pays in too

The scheme is provided by your employer who currently automatically pays the balance of the cost of providing your benefits in the LGPS.

Flexibility to pay more

You can boost your pension by paying more contributions. You get tax relief on these, too.

Options include Additional Pension Contributions (APCs) and Additional Voluntary Contributions (AVCs).

You can look forward to your retirement with the LGPS with:

A secure pension

Every scheme year (1 April to 31 March) an amount equal to a 49th of your pensionable pay in that year is added to your pension account. At the end of every scheme year the total pension in your account is adjusted to take into account the cost of living.

Tax-free cash

You have the option, when you draw your pension, to exchange part of it for some tax-free cash.

Peace of mind

Life cover from the moment you join the scheme, with a lump sum of 3 years pay being paid if you die in service, and cover for your family with a pension for your spouse, registered civil partner or eligible cohabiting partner and for eligible children if you die in service or die after leaving with a pension entitlement.

Early retirement

You can choose to retire from age 55 and receive your benefits immediately, although they may be reduced for early payment. It's also possible to retire from age 55 and receive your benefits immediately if you are made redundant or retired in the interests of business efficiency.

Flexible retirement

From age 55, if you reduce your hours or move to a less senior position, provided your employer agrees, you can draw some or all of your benefits (although your benefits may be reduced for early payment), helping you ease into your retirement.

Further information can be found in our LGPEN12 Brief guide to the scheme which should accompany this form. If this hasn't been provided, you may request a copy from your employer. Alternatively it can be obtained from Notts LG Pensions Office.

Please continue to page 4 – Declaration of other pension benefits and requests for transfers.
Upon completion, detach from the LGPEN 102 and return the remainder of the form to your employer

Declaration of other pension benefits and requests for transfers

Any request to transfer must be made within 12 months of joining the scheme (although this may be extended subject to the employer's and administering authority's discretion). Failure to request a transfer within the 12 month time limit may prejudice your future pension provision. For example, a transfer from a public sector (club) scheme, e.g. Teachers, NHS, Civil Service, may be treated as a non-public sector scheme (non-club) if it is transferred into the LGPS after 12 months. Different factors would therefore be used to calculate the transfer's value in the LGPS, possibly resulting in a lower pension credit.

Other Pension Benefits

In all cases

If you have previous Local Government Pension Scheme membership, please complete **Section B** (below), irrespective of whether or not you wish to consider a transfer.

If you are **within 12 months of joining**, a Transfer Request Form (LGPEN 102) should be completed and sent directly to any pension schemes (including any other LGPS funds) from which you would like to consider a transfer of pension rights. It is your responsibility to ensure they respond to your request and provide the information required in order for Notts LG Pensions Office to provide you with a quotation.

If you would like to consider multiple transfers, please photocopy the number of form LGPEN 102s required. Alternatively, further copies may be obtained from Notts LG Pensions Office.

If it is **more than 12 months** since you joined Notts LG Pension Fund in respect of your current employment, you would need your employer's consent before any potential pension transfer may be investigated. If you would like to consider a late transfer, please complete **Section C**. We will inform you of your employer's decision as to whether they will allow the transfer to progress and provide you with further instruction.

Transfer Quotation Request Form

LGPEN 102

Dear Pension Scheme Administrator,

I am thinking about transferring my pension with you to the Local Government Pension Scheme (LGPS), administered by Nottinghamshire County Council.

Please:

- provide a Cash Equivalent Transfer Value of my pension fund to **Notts LG Pensions Office, Business Services Centre, Nottinghamshire County Council c/o County Hall, West Bridgford, Nottingham, NG2 7QP**;
- do this as quickly as possible because I could be credited with less additional pension if action is not taken within the LGPS's time limits; and
- inform myself or Notts LG Pensions Office if you require any additional documents or forms completing. Notts LG Pensions Office will tell you how to pay the transfer value if I decide to go ahead with the transfer.

Please note that the LGPS cannot accept a transfer of a pension credit that resulted from a Pension Sharing Order issued following divorce.
