

Education & Adoption Workshop

Experienced adopters tell us that being informed and prepared, so that they can support their child's education is essential and can be vital to their child's school experience.

Aims and Content of this workshop:

- Information about how to access support in education
- To empower you in making an informed choice in respect of your child's schooling
- To empower you to be your child's advocate
- An opportunity to hear from an experienced adopter
- An opportunity to hear from a family SENCO
- An opportunity to meet a representative from your local virtual school

Who is this workshop for?

- Prospective Adopters in Stage 1
- Prospective Adopters in Stage 2
- Approved prospective adopters in the home finding stage or a match
- Adoptive Families with a child or children in early placement
- Adoptive family on a nursery journey
- Adoptive family already on a journey in primary school

Even if your child or children are still very young, we recommend this workshop as it provides a useful framework for thinking about your child's future journey through nursery, pre-school and primary school.
